

LETTER OF INTENT

To: The Parish School
11001 Hammerly Blvd.
Houston, Texas 77043

WHEREAS, my child, _____, will be attending The Parish School for the year 200__ - 200__.

WHEREAS, the tuition for my child at The Parish School for the school year will be \$_____.

WHEREAS, in an effort to defray all or a portion of my child's tuition cost for the school year, a request for financial assistance for my child in the amount of \$_____ has been made.

I hereby agree, if and when I am financially able, to repay the financial assistance amount shown above to the The Parish School financial assistance fund. I understand and acknowledge this Letter of Intent is not legally binding. I am, therefore, not legally obligated in any way to repay the financial assistance amount in whole or in part. However, because I recognize the tremendous need to assist young children with learning differences in their early years, and because I understand the The Parish School has only limited financial assistance resources with which to financially assist its clients, I will do my very best, on behalf of my child, so that other children may receive assistance from The Parish School.
