

THE PARISH SCHOOL

Optional Programs 2016-17

Academic Tutoring

The Parish School offers academic tutoring in individualized sessions throughout the school year. Services include one-on-one instruction and review of key academic skills needed to support your child's education. Tutoring is scheduled before or after school and takes place at The Parish School.

Adventure Play

Adventure Play is a child-directed, outdoor program where children build social and practical skills in a naturalistic, cooperative setting. Modeled after European Adventure Playgrounds, this program gives children freedom to roam three acres of The Parish School's campus, supported by trained playworkers and in the company of peers. It is available to students of The Parish School and children from the outside community ages 6 to 12, Monday through Thursday for 2 or 4 days a week from 3:15 to 5:30 p.m.

Social Learning

Social Learning offers small group and individual Social Thinking® therapy to help preschool through high school students read social cues and share space with peers and adults more appropriately. Therapy focuses on many social cognitive skills including perspective taking, conversational skills, social problem solving, social observation and attention to people and situations, and connecting with others. The groups are led by highly trained professionals experienced in the Social Thinking® approach developed by Michelle Garcia Winner.
